**CHURCH DEVELOPMENT CORPORATION
STEWARDSHIP ACCOUNT**

Terms and Conditions

Minimum balance requirements: The minimum required daily balance is \$250. Interest is paid on the average daily balance of funds if the balance does not fall below \$250. If, during any monthly statement cycle, the account balance falls below \$250, the account will not accrue interest for that period. If your account is closed prior to the last day of the month, no interest will be paid for that period. Make checks payable to Church Development Corporation and forward to 6400 Glenwood, Suite 304, Overland Park, KS 66220.

Compounding, crediting and rate: Interest will be credited to your account on the last day of each month. The interest rate paid on CDC Stewardship accounts is variable and is indexed to the rate paid by the 3-month Treasury bills. Interest will begin to accrue on the business day the funds are received at the CDC office.

Transactions: Unlimited deposits may be made to the account. Your Stewardship account can be accessed in person at the CDC office and by mail, FAX or telephone by persons authorized to do so. These persons may verify the withdrawal by providing the account number which will be issued by CDC. Before withdrawal can be made the authorized person will need to identify themselves by stating their date of birth and the last four digits of their social security number. CDC must have signatures of the principals on file and checks will be sent only to the address listed on the application. If a church has a loan with CDC, it may elect to have the monthly payment automatically withdrawn from the Stewardship account. Withdrawals/transfers are limited to three during each month. If you exceed these transfer limitations, your account will be subject to closure by CDC.

Statements: An easy-to-read monthly account statement will be mailed to the application address and will reflect the account activity and interest earned.

Corporate resolution: A copy of the corporate minutes of the session/trustees approving the establishment of the account and identifying who may sign on the account is required for churches and related agencies.

Protection: CDC is not a banking institution and is not regulated by any state or federal authority. Funds deposited with CDC are not insured by FDIC. Although not protected by FDIC or other government agency, funds from this account are used to make loans to our churches and the local presbytery guarantees repayment.

Privacy Policy: CDC is committed to respecting and protecting the privacy and the confidentiality of the personal and financial information of our clients, both individuals and church congregations. Your information is not sold to anyone outside CDC. We do not disclose any non-public personal information about our customers or former customers to anyone except as permitted by law.
